

--- 3½ Pounds - “Plug Tobacco” - *fine roulette* - 89 x 26 mm. ---

RM-404n - 3½ pounds, black, *fine roulette*, without control numbering

The hidden letters are “H-F”, and Chris Ryan reports that the die proof was submitted for approval on March 9th 1938. BABN records indicate that the plate was prepared for 50 stamps - (probably 5 x 10).

Apparently there was no use of the 3½ pound “Plug Tobacco” stamp, at least no control numbered copies have been recorded for this listing, and Lee Brandom does not list the control numbered stamp. The illustrated “TP” has been inserted simply to record its existence.
